

# Licensed Cadastral Surveyor

- Join one of NZ's largest surveying companies
- Vibrant consultancy in rapid growth mode
- Range of projects including subdivision and land development

**Envivo** is a multi-disciplinary consultancy that provides market leading professional services in Engineering, Surveying and Planning to a wide range of property development, construction and institutional clients.

Our Surveyors have been involved in numerous subdivision and land development projects and ensured our clients' success by providing comprehensive surveying services and sound advice. We have a reputation for producing industry-leading plans and digital information.

## Responsibilities

- Undertake cadastral surveying including information search, survey processing and calculations
- Undertake QA of scheme designs
- Complete compliance certifications
- Prepare planning and property assessments
- Liaise with clients and develop client relationships

## Skills/Experience Required

- Suitably degree-qualified Licensed Cadastral Surveyor
- Strong skills in AutoCAD, 12D Survey and Landonline
- Excellent verbal and written communication skills
- Professional and confident interaction with clients and staff
- Ability to work autonomously and to deadlines

Envivo values people who enjoy working collaboratively in a team environment. We have a commitment to career development, a focus on professional standards and on achieving successful outcomes for our clients.

To apply, please send your cover letter and CV to Jennifer Young, HR Manager,  
email: [recruitment@envivo.co.nz](mailto:recruitment@envivo.co.nz).
