

# Principal Structural Engineer

- Leadership position — provide guidance and technical advice to division strategy and plans
- Vibrant consultancy in rapid growth mode
- Develop and grow our increasing market presence in structural engineering

**Envivo** is a multi-disciplinary consultancy that provides market leading professional services in Engineering, Surveying and Planning to a wide range of property development, construction and institutional clients. The Principal Structural Engineer is a pivotal role with the responsibility of leading the structural team to ensure a high level of employee engagement in project and client delivery.

## Responsibilities

- Provide leadership and mentorship to the Structural Engineering Team
- Undertake and/or oversee the most complex engineering projects requiring expert application or advanced engineering knowledge
- Assign, schedule, coordinate, review and evaluate projects within single or multi-disciplines
- Work within agreed timeframes, project specifications and set budgets
- Liaise with clients, architects, consultant team, territorial authorities and contractors
- Manage all commercial aspects such as contract management, invoicing, debt management and client management
- Develop best practice processes, monitoring and quality control to ensure that expected professional and technical standards are met
- Ensures compliance with Health & Safety regulations and a culture of awareness
- Plan and manage departmental resources such as budgets and staffing

## Skills/Experience Required

- Related Engineering degree and Chartered Professional Engineer (CPEng)
- Structural engineering design and analysis experience in residential, commercial and shared spaces
- Proficiency or an understanding of software programmes such as AutoCAD, Space Gass, ETABS and SAFE
- Thorough understanding of New Zealand Building/Structural codes
- Professional and confident interaction with clients and staff
- Keen problem solving skills to deliver innovative solutions to clients
- Able to remain calm under pressure with flexibility to meet changing demands

Envivo values people who enjoy working collaboratively in a team environment. We have a commitment to career development, a focus on professional standards and on achieving successful outcomes for our clients.
