

Land Surveyor/Technician — Christchurch

Envivo is a multi-disciplinary consultancy that provides market leading professional services in Engineering, Surveying and Planning to a wide range of property development, construction and institutional clients. Our surveyors have been involved in numerous subdivision and land development projects and ensured our clients' success by providing comprehensive surveying services. As one of New Zealand's largest surveying providers, Envivo has a reputation for producing industry-leading plans and digital information.

Responsibilities

Working with the Survey Manager or Licensed Cadastral Surveyor:

- Undertake field/cadastral surveying including topographical surveys, land transfer, height to boundary and building setouts
- Complete survey processing and calculations
- Complete information searches
- Complete compliance certifications
- Assist with preparing resource consent applications
- Prepare planning and property assessments
- Assist with 12D draughting
- Supervise Survey Assistants and assist with staff training and development

Skills/Experience Required

- Relevant Surveying qualification – BSurv or Diploma in Surveying
- Good working knowledge of surveying equipment (Leica), eg Robotic Total Stations
- Strong attention to detail
- Quick and efficient time management and completion of work
- Professional and confident interaction with clients and staff
- Full driver's licence and able to drive manual vehicles
- Enjoy working outdoors in all weather conditions
- Good level of fitness and strength
- Good command of English language required (especially speaking)

Envivo values people who enjoy working collaboratively in a team environment. We have a commitment to career development, a focus on professional standards and on achieving successful outcomes for our clients.

To apply, please send your cover letter and CV to Jennifer Young, HR Manager.

You must be eligible to work in NZ to apply for this role.
